Town of Mooresville
Annual Rebuild Alabama Transportation Plan
Calendar Year 2027

This plan conforms to the Rebuild Alabama Act (ACT 2019-2). Said Act 2019-2 requires a detailed list of projects for which expenditures are intended to be made in the next fiscal year based on an estimate of Rebuild Alabama Act revenues to be received.

As a result of the project - “Various Roadway Improvements for Town of Mooresville FY2023 Rebuild Alabama Grant” completed in FY2025, the Annual Rebuild Alabama Transportation Plan for Calendar Year 2027 includes only the following:

- Speed bump deterioration evaluation (specifically on North Street) and potential replacement and additions
- Emergency repairs

COST:

The cost based on response to a competitive solicitation for Firm Fixed Price quotation is - TBD.

SCHEDULE:

The target date for completion of all scheduled work is June 30, 2027.

FUNDING:

Estimated Rebuild Alabama Funds available as of December 31, 2026	\$58,240
Estimated Rebuild Alabama Funding received in FY2027:	\$18,400

Note: The Town’s Fiscal Year is January 1 to December 31.

This project list may be amended to include any other transportation related projects that may arise during the respective fiscal year specifically pertaining to the health, safety, and welfare of our residents.
